

## **Godwin Newsletter - 14th March 2025**

preparing pupils for lifelong success

## **Head Teacher's Message**

It's been a fantastic week for healthy eating at Godwin, as we took part in the national 'Eat Them To Defeat Them' campaign to encourage children to eat more vegetables. Well done to our amazing pupils for tucking in this week - we hope it's been just as successful at home and that this has kick-started great eating habits! #rrsa #article24

As well as all of the educational visits which have taken place this week, we also had our RE Quality Mark accreditation assessment. Thank you to Alasdair 3J, Agam 3M, Ivy 4K, Viren 4T, Minha 5V, Saif 5I, Rita 6K and Penny 6O for being conscientious evaluators of their learning in RE and representing us in an articulate and confident manner. We eagerly await our feedback in the next few weeks.

After lulling us in to a false sense of security last weekend, the sun has tempted us to restart our very popular outdoor library. Our dedicated librarians will be restocking the shelves next week to ensure a wide range of books for everyone who wants to disappear in to a book at break and lunchtimes.

Thank you so much to the Friends of Godwin and to our generous community for ensuring that our climbing wall can be installed during the Easter holidays. It's very exciting and we know the children will love it!

Next Friday (21st March) is Pyjama Day at Godwin Junior School, in aid of Comic Relief.

Please bring £1 if you can and enjoy being in your comfy jammies all day.

All pupils must wear outdoor shoes - no slippers please.

We would like to remind parents and carers that snacks for break time or for children to take to afterschool clubs can only consist of fruit and/or vegetables, including dried fruit. This is a safety measure put in place due to numerous and varied allergies. No other items are permitted.

Year 5 pupils will be performing Macbeth at The Source, in Stratford, on Tuesday 18th March at 7:00pm.

Tickets can be purchased here:

Pupils from 4Y enjoyed a workshop in West Ham Park this week, to support their learning on 'Animals and Their Habitats'.

The children were thoroughly engaged and we can't wait for the rest of Year 4 to have their turn.

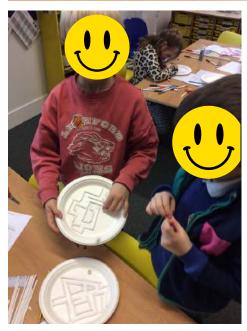

This week has been Science Week at Godwin, with every class taking part in fun, practical activities which encourage them to improve upon their 'working scientifically' skills.

Here you can see Year 3 pupils designing, constructing and testing out their very own marble runs.

## Celebrate Food Waste Action Week and win £250 with Aldi!

To mark Food Waste Action Week (17 to 23 March), Aldi is calling on school children of all ages to design a poster to inspire people to cut down on food waste.

The entries will be judged by a panel of Aldi's sustainability experts, with the winning designs taking pride of place in Aldi's UK Headquarters to encourage colleagues to cut down on food waste. The winner will also receive a £250 voucher for their family to spend at Aldi.

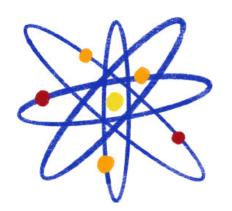

The competition is part of Aldi's Get Set to Eat Fresh programme, run in partnership with Team GB and ParalympicsGB, that aims to inspire young people to eat healthily.

Entries should be submitted via email to <u>foodwastecomp@aldi.co.uk</u> before Monday 24 March 2025. Entries should include the name and county of each entrant.

## Good luck!

## Calling All Young Scientists and Creators!

Do you have big ideas about the future of science and technology? Would you like to share your thoughts with Parliament?

The House of Commons Science, Innovation and Technology Select Committee is inviting children to submit artwork or writing that explores their hopes and expectations for the future of science. This is a fantastic opportunity for pupils to use their voices and contribute to an important national discussion! For more information about the select committee's work see:

https://www.youtube.com/shorts/FWdo2rzWubo

### Your Right to Be Heard

Under the United Nations Convention on the Rights of the Child (UNCRC), all children have the right to express their views (Article 12) and share ideas in creative ways (Article 13). This project is a great way to exercise those rights and make a real impact!

### **How to Take Part**

You can share your thoughts on the future of science and technology through:

Artwork – drawing, painting, or collage

Writing – poetry, a short story, or a persuasive piece

Your work will be sent directly to Parliament, helping to shape the topics that the committee investigates. This is an exciting chance to show that young people's voices matter in decisions about science, innovation, and the future!

### **Get Involved!**

If you would like to take part, please send your submissions to Ms Valle (5V) by Friday 21st March, so we can forward them on before the official deadline. Let's get creative and help put science and technology under the microscope!

## **Article of the Week**

Godwin Students, are you ready for Red Nose Day? This year is extra special—Comic Relief turns 40! That's four decades of laughter and life-changing support.

Let's get silly, raise smiles, and donate tins of food for the local food bank. How tall will our towers grow?

Founded in 1985 by Sir Lenny Henry and Richard Curtis, Comic Relief has spent 40 years tackling poverty, conflict, and climate change worldwide.

Supporting Comic Relief means standing up for fairness (<u>SDG 1</u>), climate action (<u>SDG 13</u>), and children's rights, including their right to a better future (VNCRC Article 29). Let's celebrate 40 years and make a difference!

## **Mindfulness Corner**

Every Friday we will highlight a different group or organisation with resources for mental health and wellbeing. (We are not endorsing any particular site nor are we ambassadors for it - we are simply providing pointers towards sites that might be interesting/helpful).

This week we feature mental health support from The Mental Health Foundation: <a href="https://www.mentalhealth.org.uk/">https://www.mentalhealth.org.uk/</a>

"You can have it all. Just not all at once." Oprah Winfrey
