

## Message from The Head Teacher

Some of our School Councillors had the opportunity to see democracy in action when they visited the Houses of Parliament this week. This was an excellent way for them to further their understanding of how the British legislature works and links really well to Article 12 of the UNCRC: Every child has the right to express their views.

Congratulations to the winners of our Poetry Slam competition. Their delivery was incredible and for their prize they visited a bookshop and enjoyed browsing then reading their choices with a drink! Article 29: Education must develop children's talents.

We know that it is going to be exceptionally hot on Monday and Tuesday. We will be putting in place a number of measures to ensure the health and safety of our children and staff, including:

- No PE next week
- Learning will be outdoors for a significant period of each day
- Children will be encouraged to stay in the shade at break and lunchtimes – we are incredibly lucky to have so many trees!
  - Children will be reminded to drink frequently
  - Please ensure children are wearing loose, light-coloured clothing and that they bring hats (preferably wide-brimmed)

## Forest Gate Community Garden

Huge thank you to EVERYONE who made it along or supported this year's Forest Gate Gardens Trail. The weekend was an amazing testament to the passion and dedication of local residents and a great celebration of the power of greening in nurturing community.

We continue to work hard to keep ALL our events and activities FREE, although donations are welcome. Any donations will go directly to supporting the ongoing activities of the Community Garden.

### Upcoming Events....

#### Summer Celebration

@Forest Gate Community Garden

Saturday 16th July - Midday - 2pm

Refreshments, music and plenty of creative activity as we explore Dr Fothergill and other local green heritage at the height of Summer.

#### Botanical Drawing Course

@West Ham Park

Ongoing Wednesdays

Learn Draw Grow is a Green Heritage project inspired by the plant collection of Dr John Fothergill (1712 -1780) at the Ornamental Garden in West Ham Park in 1762. The project explores the rich history of the plants found in the Ornamental Garden through a public arts and gardening programme. This drawing course is inspired by celebrated botanical illustrators of the 18th century such as Ann Lee George Dionysis Ehret and Johann Sebastian Muller, who made detailed drawings from Fothergill's collection of plants. We will be working from direct observation, using a range of colourful materials to represent the inspirational plants and flowers that we discover in the garden.

#### GREEN SHOOTS (Sundays @11am)

Our team of volunteers has been out and about tidying and planting the public beds. Making Forest Gate greener and cleaner for ALL. Would you like to see more greening projects locally? Have some ideas? Let us know or come and get your hands dirty helping water and maintain some of our local planters. We are always happy to have extra pairs of hands!
