

Message from The Head Teacher

In school we have been conscious that it is Mental Health Awareness Week at the moment. Linking this to UNICEF's Outright Campaign, Godwin pupils have taken part in a number of activities which promote UNCRC Article 24: The right to education on wellbeing.

As a society, we are coming to understand that our mental health needs protection just as much as our physical. We hope that by continuing to focus and talk about mental wellbeing at school we can equip our young people with the language and confidence to talk to trusted adults about their feelings before these escalate.
We wish you a restful weekend.

London History Day

Here at Godwin, we will mark London History Day (31st May) with an exciting competition.

Choose a London Landmark as your inspiration and celebrate it in any creative manner you choose.

You might decide to: build a 3D representation; make an attraction poster; sketch or paint the landmark; or any other representation of your choice.

You must bring your finished piece to school, before Thursday May 26th, to your class teacher.

During assembly the next day, the winner will be announced.

The winner will receive two tickets to a London River Cruise so that they can witness some of London's Landmarks in person along the River Thames!

Enjoy being creative and learning about the landmarks!
